

SONG REQUESTS

You may want to request a specific song. Attached is a list nearly 300 songs that I do perform but chances are that the song you want isn't on my list...seems that's the way it is most of the time.

I'm happy to play any of the songs on the attached list for you.

If the song you want isn't there, write your request on a \$100 bill and drop it in the tip spittoon and I'll learn it!

If you want to hear one of the songs on this list just yell out the title when I'm between songs or text the title to 802.349.2777
